### **DONALD MENS SHED FUNDING SUCCESS**

\$15,000 in Federal funding has been granted to the Donald Men's Shed after a successful application under the Stronger Communities Program.

Federal Member for Mallee, Andrew Broad says the group are hoping to use the grant money to add a storage shed and a disabled toilet.

"Our local men's sheds are a vital part of our regional communities, and it's great to be able to help a meaningful community project like this one go ahead," he said.

"Men's sheds provide a sense of community and purpose for a lot of locals in our region, as well as support their physical and mental health and wellbeing."

The group hopes that the upgrades will not only benefit current members but will also encourage new membership from the surrounding community.

The total project cost is estimated at \$64,900 with an estimated finish date by March 2018.
