### **NYAH MEN'S SHED RECIEVES FUNDING**

The Nyah Men's Shed has been awarded a grant of \$4,730 from the Federal Government under the Government's National Shed Development Programme.

Federal Member for Mallee, Mr Andrew Broad MP has congratulated the Men's Shed on their success, with the shed planning on using the funds towards a community Men's Health Night.

"The Nyah Men's Shed offers great benefits to local men, and will be able to impact many more thanks to this funding," Mr Broad said.

"Men's Sheds provide a safe and friendly environment for local men to talk about their health among easy-going company, and it's great to see that happening even more in our community."

The Men's Shed is aiming to run their Community Health Night in June during Men's Health Week, working with Swan Hill District Health and the local Lions Club. The event is set to include Men's health checks, hearing checks as well as informative presentations from a range of key note speakers.

A part of the grant amount will also be spent to secure a digital projector and screen for future use in the Men's Shed.
