2019 NUFFIELD SCHOLARSHIPS

Federal Member for Mallee, Andrew Broad MP is calling on primary producers throughout the Wimmera, Mallee and Mildura regions to apply now for a 2019 Nuffield Scholarship.

The \$30,000 bursary is available to primary producers in the agriculture sphere which allows them to spend 16 weeks overseas to study cutting-edge global agriculture.

Mr Broad, a Nuffield Scholar said the experience was unlike anything else and he was extremely grateful for the opportunity to develop his skills with the help of Nuffield.

“These scholarships are such an amazing opportunity for our local primary producers to develop their skills in agriculture and learn about topics that can really add value to the Australian industry,”

“I cannot recommend this program enough to future and current farmers and producers; it really allowed me to develop as a leader and to develop my skills in agriculture,” Mr Broad said.

Applications to apply for a 2019 Nuffield Scholarship close June 15, 2018.
