FIGHTING FOR FUNDING IN THE MALLEE

Federal Member for Mallee, Andrew Broad MP says there are lots of great projects that are fighting for funding across the Wimmera, Mallee and Mildura regions this year, having just secured \$3 million for Sunraysia Modernisation Project 2, Mr Broad said there is still plenty to achieve across the region.

“There are some exciting things going on in the Electorate of Mallee, but there is plenty more work to be done,” Mr Broad said.

“I will continue to advocate and fight for an indoor basketball sports stadium for the people of Mildura, it gets hot in Mildura and our kids deserve to be able to run around and play basketball so I’m fighting hard for that,”

“I’d also like to see Donaldson Park completed in Loddon, the Mitiamo stock and domestic pipeline done, and the East Grampians pipeline system done.”

“It would be great to get the Swan Hill Riverfront Development funded for the people of Swan Hill, driving tourism and making Swan Hill a great place to visit and live,” Mr Broad said.

“Telecommunication remains high on my radar as there are still many people in our patch that can’t make a mobile phone call from their property.”

“There is always more to be done, but the Mallee is a vibrant and buzzing part of Victoria and it only gets better the more we achieve so I am looking forward to getting these projects and many more across the line in the not too distant future.”
