ARTS FUNDING FOR MILDURA

The Regional Arts Fund has delivered another Quick Response Grant to the Mildura Arts Community which is set to see acclaimed Body Weather artist Frank van de Ven from Amsterdam visit the region for a workshop.

Federal Member for Mallee, Andrew Broad said Arts Mildura will receive the \$2250 grant to make the special event a reality.

“The Arts hold a vital place in Mildura we have such a vibrant arts community and it’s fantastic that our government can help foster that by funding local workshops like this one,” Mr Broad said.

The four-day intensive workshop is aimed at local artists who work across a range of different mediums, and hold an interest in the bodies’ relationship to the landscape.

The Regional Arts Fund is an initiative of the government’s regional arts program, aimed at giving all Australians better access to opportunities to practice and experience the arts.
